PROFILE SUMMARY

Dedicated BCA student, currently pursuing my degree, with hands-on experience as a backend developer in Django and Python during an internship at Doosra College. Proven ability to design and implement innovative software solutions. Eager to apply my skills and passion for software development to contribute effectively to dynamic projects.

EDUCATION

2024 ○ BCA
Shi Guru Tegh Bahadur Institute of Management and IT

2020 ○ XIIth
English

2018 ○ Xth
English

WORK EXPERIENCE

Aug 2023 - Sep 2023 ○ Backend Developer Intern
Doosra College

As a backend developer, I specialized in Django and Python to create and maintain server-side components of web applications. Significantly, I successfully delivered an inventory management project, demonstrating proficiency in database management, API development, and bug fixing for optimal performance.

Projects

1 Months ○ **Inventory Management**

Designed and developed a Django-powered inventory management solution, optimizing product tracking, inventory control, and reporting for improved business efficiency.

COURSES & CERTIFICATIONS

○ Cyber Security and Ethical Hacking (Valid upto November 2022)

○ Professional Email Writing Course from Coursera
